

Existing Mission Statement

***Roxboro United is a Christian community. We promote the compassion of Christ as we invite our congregation and the community around us to a deeper understanding of, and relationship with Jesus Christ and one another. We live out this relationship with Christ through our congregational activities and by reaching out to people in need, both locally and beyond.***

Proposed Mission Statement:

***Roxboro United Church encourages faith, embraces friendship, and values community; through food, music, and fellowship.***
